6.02.250 Markings and Signs.

(a) Immediately adjacent to and visible from any stall or space designated for exclusive use by physically handicapped persons, there shall be posted a sign meeting the following requirements:

(1) Such sign shall contain the International Symbol of access, to wit: a profile view of a wheelchair with occupant in white on a blue background, followed by the word "ONLY" in white lettering;

(2) Such sign shall state, in letters not less than one inch in height: "Unauthorized vehicles not displaying distinguishing license plates or placards issued for physically handicapped persons will be issued citations";

(3) Such sign shall be not less than 17 inches by 22 inches and shall be posted at least 80 inches from the ground.

(b) Any parking space designated for exclusive use by physically handicapped persons that is next to a curb, shall also be marked by blue paint on the curb edge of such space.

(c) Any parking space or stall designated for exclusive use by physically handicapped persons, may also be marked by blue paint around any portion of such space or stall.

6.02.260 Parking of Commercial Vehicles.

Except as provided in section 6.02.130 and section 6.02.325, no person shall park any heavy duty commercial vehicle at any time between the hours of 2:00 AM and 6:00 AM any day of the week. The penalty for violation of any part of this ordinance shall be \$75.00. For the purpose of this section, a "heavy duty commercial vehicle" shall mean any of the following vehicles provided that such vehicle is required to be registered under section 260 of the California Vehicle Code as a commercial vehicle:

(a) a single commercial vehicle or combination of vehicles having more than two axles; or

(b) a truck tractor designed and used primarily for drawing other vehicles whether or not other vehicles, trailers, or other wheeled loads are attached; or

(c) a single vehicle or combination of vehicles twenty-two feet or more in length; or

(d) a truck trailer as defined in section 630 of the California Vehicle code, with the wheels thereof either attached or detached; or

(e) a dump truck; or

(f) an automobile transportation trailer or truck and trailer capable of transporting more than two automobiles; or

(g) a roofing asphalt kettle used to process, heat, or hold for heating, roof materials; or

(h) a tank truck capable of transporting combustible or hazardous materials; or

(i) a vehicle having a manufacturer's gross vehicle weight rating of 10,000 pounds or more.

6.02.270 Exemptions.

The prohibition imposed by section 6.02.260 shall not apply to the standing or parking of such vehicles in the following circumstances:

- (a) Where the vehicle, while attended, is standing or parked for the purpose of picking up or delivering materials; or
- (b) where the vehicle, while attended, is standing or parked for use in the construction, repair, or maintenance of adjacent property; or
- (c) Where the vehicle is displaying a permit issued by the Chief of Police in accordance with section 6.02.280 of this Code.

6.02.280 Issuance of Permit.

(a) Where otherwise authorized by this Code, permits for parking between 2:00 a.m. and 6:00 a.m. may be issued by the Chief of Police on the grounds that standing or parking of the vehicle is necessary for the purpose of picking up or delivering materials or for use in the construction, repair or maintenance of adjacent property. The application for a permit shall be signed by the applicant, shall state the make, model and license number of the vehicle and shall contain a statement of the necessity and reasons for the permit. If, upon investigation, it is found that grounds exist for issuance of a permit, the Chief of Police shall issue the permit for up to one hundred eighty (180) days. Upon good cause shown, the Chief of Police may renew the permit for a similar period of time.

(b) The permit shall not be transferable and shall be conspicuously displayed on the left side of the front window of the vehicle for which it is issued at all times during which the vehicle is parked upon the street between the hours of 2:00 a.m. and 6:00 a.m. The Chief of Police shall revoke the permit when the grounds under which it was issued and the reasons therefore cease to exist or may renew such permit if the grounds still exists.
